Fibre Outlet Series - TEN-FW05, 4F SC/LC

enlighten FTTH Wall Outlet - TEN-FW05

This Fibre Wall Outlet is designed to accommodate the termination of installation cables to pigtails and provide an interface between the network and the customer device, supporting both SC/LC Simplex and Duplex Adaptors.

Features

- The outlet is suitable for FTTH applications in both Multidwelling Units (MDU) and Single-Family Units (SFU).
- Compact two-parts design (body and cover). The design allows for both wall mounting and DIN rail mounting.
- Supports both SC/LC Simplex and Duplex adaptors.
- Accommodates four optical adapters and comes with colour coded optical access ports.
- The outlet is extremely easy to install and comes with a hinged and detachable splice cassette.
