

# SATA 750GB storage hard disks EOL Announcement

October 2011 – For immediate release.

Teleste announces the End of Life for 750 GB SATA hard disks for storage solutions, effective on 31th of October 2011. Discontinuation is due to reshaping portfolio for storage solutions.

## Items affected

The following items will become obsolete:

<b>XSC 4-2-C1 to XSC 4-2-C4</b>	750GB based internal storage for VMX HW products
<b>XBX 2-1-C1 to XSC 2-1-C8</b>	750GB based internal storage for VMX Lite product
<b>XSS 2-1-C01 to XSS 2-1-C24</b>	Storage matrixes populated with 750GB disks
<b>HDD750I – 750GB HDD</b>	

The change will not affect HDD used for OS

## Closing period and later support

The last order date for above items will be 31st of October 2011. After this date we cannot guarantee any confirmation for new orders. After closing period the spare part support and maintenance service for the goods in question will be handled by Teleste Repair Service according to their valid conditions.

## Replacement

750GB SATA HDD used in storage solutions can be replaced by combination of SATA disks available from our offering.

Please contact your nearest Teleste office for more information.
