enlighten FTTH OUTLET - TEN-FW08E

The TEN-FW08E is an external version of the TEN-FW08 FTTH Wall Outlet, which is designed to protect the Fibre Wall Outlet TEN-FW05. It is designed for outdoor mounting applications, and is IP65 rated and equipped so that the connection of the fibre cables is safe and simple, and the overall installation is aesthetically pleasing. The TEN-FW08E is designed to manage, protect and conceal customer drop cabling and connections. It prevents unwanted access and tampering of the cabling connections.

Features

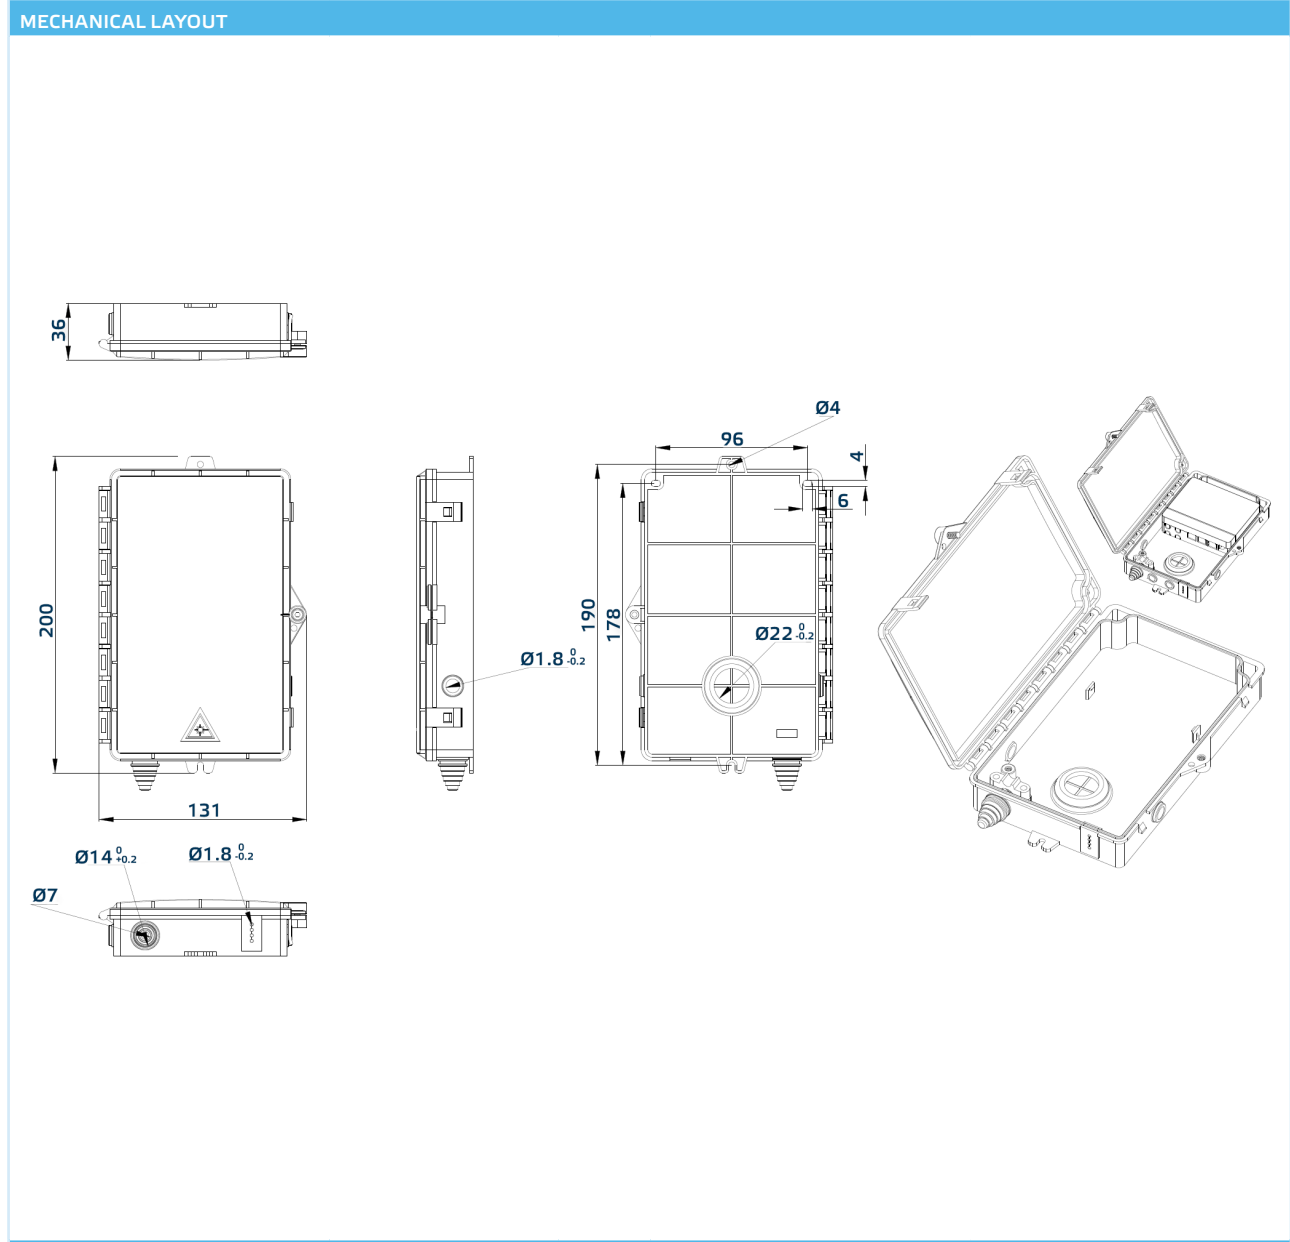

- Suitable for Outdoors mounting, IP65 rated
- Hinged lid with secure catches and optional locking screw
- Easy to install and use
- Safe and secure fibre cable management
